All-You-Need Marketing Automation

Sugar Market is the all-you-need marketing automation solution built to work for you. With a curated toolset that includes highly intuitive campaign builders, advanced automations and superior reporting, we focus on what matters most to marketers—streamlining campaign creation, understanding engagement, improving conversion and driving more revenue.

Multi-channel Marketing for All Business Needs

Sugar Market allows you to connect and engage with your customers - wherever they happen to be. With inbound and outbound email marketing tools, social media management capabilities, and even adword management tools, Sugar Market has you covered for all of your marketing automation needs in one simple to use cloud solution.

Close the Marketing Loop with Sales

Sugar Market is pre-integrated to the leading sales automation solutions, including Sugar Sell. That means you can track your prospect and customer behaviors across the entire customer lifecycle, leading to more timely handoffs to sales and the ability to discover repeat business opportunities to drive even greater revenue per customer.

- **Increase Lead Velocity:** Quickly create dynamic, multi-phase, highly targeted campaigns to drive more high quality leads into your pipeline.
- **Amplify Marketing ROI:** See what is working and what isn't – FAST.
- **Optimize allocations:** Get more for every marketing dollar spent.
- **Improve CX & Retention:** Reach out to prospects and customers at the best possible time to create lifelong relationships.
